

WEST NEWTON BOROUGH,  
WESTMORELAND COUNTY, PENNSYLVANIA

**RESOLUTION 2008-1**

WHEREAS, West Newton Borough has prepared a Long-Term Control Plan (LTCP) as required by the May 6, 2005 Consent Order and Agreement (COA), with the Pa Department of Environmental Protection and the June 16, 2006 Amendment thereto, and

WHEREAS, the selected alternative to be implemented is "Alternative 2" as referenced in the February 2008 LTCP report, prepared by Lennon, Smith, Souleret Engineering, Inc., (Report) which identifies certain capital improvements directed at reducing Youghiogheny River influence on the Borough's Combined Sewer System as the Phase I project, and

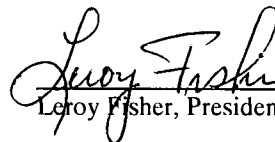

WHEREAS, Phase I improvements includes the replacement of certain combined sewer components near the existing Borough combined sewer diversion structures, and

WHEREAS, key implementation activities and dates are presented in the Report, and

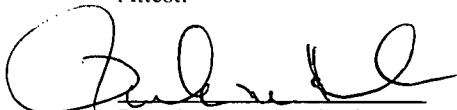

WHEREAS, West Newton Borough desires to proceed with the LTCP described above,

NOW, THEREFORE, BE IT RESOLVED that the Borough Council of West Newton Borough, Westmoreland County hereby authorizes the LTCP submission to the Department of Environmental Protection for its approval.

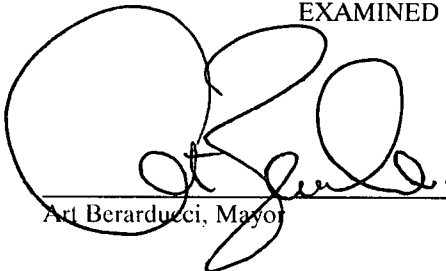

Borough of West Newton

  
Leroy Fisher, President

Attest:

  
Pamela M. Humenik, Secretary

EXAMINED AND APPROVED BY ME this 11<sup>th</sup> day of February, 2008

  
Art Berarducci, Mayor
